FEES FOR THE NEW CULTURE SUMMER CAMP

Fees are on a sliding scale. The low end of the scale represents our basic cost (without overhead or labor) while the top end is still less than the price one might expect to pay for an event of this nature. Any money received above and beyond our basic cost will go towards a scholarship fund for lower income individuals and the improvement of this and future Summer Camps. We trust that you will pay as high on the scale as you can reasonably afford.

We have indoor dorm-style accommodations available for $80 to $120 per person; to reserve a space, please use the reservation form available on our website.

In order to build an intimate community with a strong sense of safety, it is essential that everyone be in place for the start of orientation at 9:00 am on Saturday.

If you can't stay for the entire time, Camp can still be a powerful experience; if you leave early, we understand, and appreciate the time that you could spend with us.

Sliding scale: $495 - $895 (Please pay as you can afford)
