

INDOOR ACCOMODATION REQUEST FORM for (name) _____

PLEASE PRINT THIS FORM AND MAIL IT WITH YOUR CHECK TO CFNC, P.O. Box 7651, Arlington VA 22207-0651. BEDS ARE NOT RESERVED UNTIL PAYMENT IS RECEIVED FOR THE ACCOMMODATIONS. (The registration fees may be sent separately.)

We have limited dorm-style indoor sleeping accommodations available this year, for an additional charge. (Tenting is included in the camp registration fee.) If you have special needs that necessitate an indoor space but cannot afford the additional cost, please contact us ASAP at sc11e@cfnc.us; we have some scholarship funds available for this purpose.

Our indoor spaces include a lodge house and several rustic cabins, furnished with twin-size upper and lower bunk beds, full-size futon beds, and queen-sized beds. The cabins also have small lofts that each contain two twin mattresses side-by-side. In addition to the indoor accommodations, every person registered may set up a tent at no extra charge.

IMPORTANT NOTE: The septic system for the lodge is extremely limited. Unless they have special needs, people sleeping in the lodge must use the outdoor portapotties rather than the indoor toilets.

There are NO single/double private rooms available. If a tent does not suffice for privacy and you want private indoor space, it is possible to rent an entire 4-person room for \$440. If you wish to pursue this option, please contact us ASAP at sc11e@cfnc.us, as availability is limited.

If you have a family or group of 4 to 9 people and would like to reserve an entire room or cabin for your group (\$440 to \$900 for a room, \$580 to \$1060 for a cabin), please contact us ASAP at sc11e@cfnc.us. We may be able to accommodate your request.

If you would like to be placed in the same room or cabin as specific other campers, or have other requests, please note them here (use reverse if needed):

Please select your preferred bed option; you will receive your bed assignment at camp.
